

IN THE DRAWINGS:

Attached are Replacement Sheet Drawing Figures 2 and 3. No new matter is entered. In Figure 2, the first computer and the second computer have been shown by dashed lines and the various items have been labeled. Also reference numerals 100, 101, 102, and 103 have been added. In Figure 3, reference numerals 100, 101, 102, and 103 have been added along with showing the first computer and the second computer with dashed lines. Also labels have been added for the different items shown in Figure 3 and reference numerals have been corrected – for example 25 changes to 105; 26 changed to 21A; and 23a changed to 23. Also, at the request of the Examiner, shading was removed in components 19, 23, 24, and 25 in Figs. 2 and 3.
